Article

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Revision Date: N/A

Date of issue: 01/21/2019

Version: 1.0

January 21, 2019

Dear Customer:

According to Federal Regulations, Viking Products Group products commercially available under the following names:

Ultra-Shield Torch Base Membrane

Viking CIF-2HM

Viking CIF-3HM

Viking 250 SPMC

Viking Cold Poly

Viking Poly-Shield

... meet the **OSHA definition of an "Article" under 29 CFR 1910.1200(c) and does not require a Safety Data Sheet (SDS) as indicated under 29 CFR 1010.1200(b)(6)(v).**

Articles of Manufacture are defined as: "... a manufactured item which is formed to a specific shape or design during manufacture, which has end use functions depending in whole or in part upon its shape or design during end use and which does not release or otherwise result in exposure to a hazardous chemical under normal conditions of use."

As the above products fall under the definition of Articles of Manufacture, there is no need for a SDS. Therefore, no SDS has been forwarded to your attention. This helps us greatly in our efforts to reduce the amount of paper we use, and in turn to preserve our natural resources.

If you have any questions regarding the above, please call 1-800-762-8225.

Sincerely,

Viking Products Group
Technical Department
